

Dear labs4rescue inc.,

I love my dog Trouble. Thankyou for saving him. If it wasn't for you I would not have Trouble. That's why I'm writing this letter. Trouble is older than me in dog years. He's 14, and I'm only 9. People often say that I'm his favorite, but I don't think I am. He loves everybody the same. [Well that's what I think.] Well thanks for everything!

Sincerely,
~Kealey Donahue~
