

Dear Tabst Rescue,

I want to thank Courtney for the great job she did matching our family with Cece.

(Formerly known as Cecelia) She came to NJ with Kyle & we fell in love with her @ first sight.

I also want to thank Lisa for taking good care of her while she was nursing her pups. She is doing wonderful with her new family.

Cece is very attached to our 7 year old, Alyssa, and our 16 month old, Peter. They love her so much as does our dog, Sparky. She follows him everywhere he goes. She is slowly working on obedience (such as jumping) but is completely crate & house trained. She has the sweetest disposition. Even Maschief, the cat, is warming up to her (slowly). Thank you for all of your hard work,

Jennifer, Peter, Alyssa & Pete
