

Dear Labs4rescue,

On March 10th, 2008 my daughter Samantha had her 10th birthday party. She decided a party with her friends was good enough and that if they wanted to do anything for her, her friends could donate to Labs4rescue. We've been a foster family for a number of years now, and have adopted 2 of our fosters (we are foster failures!) ourselves. We've been fostering seniors lately and Samantha especially fell in love with Emmitt.

Enclosed are the checks from the families that donated in honor of her 10th birthday.

Adalia	Lexi
Amanda	Louisa
Catherine	Madeline
Coleen	Madeline
Emily	Madie
Emma	Olivia
Franklin	Sarah
Hannah	Shay
Jade	Sierra
Layla	

We hope this will help your organization continue to save these labbies we have had the privilege to get to know, and the many more that are waiting!!!
