

# Brownies Help Labs4Rescue

Killingworth Girl Scout Brownie Troop 60779 earned a Journey badge by conducting a Labs4Rescue Supply Drive at Killingworth Elementary School.

Labs4Rescue is a Killingworth-based volunteer organization dedicated to providing a new life for rescued or displaced Labrador Retrievers and Labrador mixes. The organization works with Rescue Road Trips to arrange for adoptions of dogs who would otherwise be euthanized.

When the Brownies delivered the collected supplies, they were not only able to witness about a dozen adoptions, but also had the opportunity to walk some of the dogs who were continuing on to the next adoption stop.
